

## 6 Watt Class D Floating Handheld VHF Marine Radio

West Marine VHF470 pushes the boundaries of handheld VHF radio functionality.

It floats, meets the toughest waterproof standards, clears its speaker of water after a dunking and even includes an integrated flashlight. Our West Marine VHF470 is a floating handheld Class D DSC radio with an integrated GPS receiver. It is Bluetooth® capable, so you can use the new West Marine smartphone app (for both iOS and Android) to set up your radio, and send text messages to a smartphone and other VHF text message capable radios.
